

POOL & SPA

Caring for your pool & spa

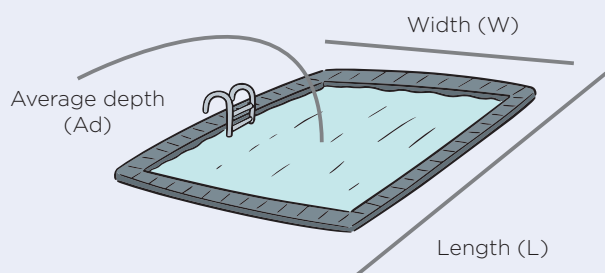

Complete the below details before you visit your local SPASA pool or spa shop so that they can give you the best advice for your pool & spa set up.

Age (date of installation):

Shape: Rectangle Round Oval Free-form

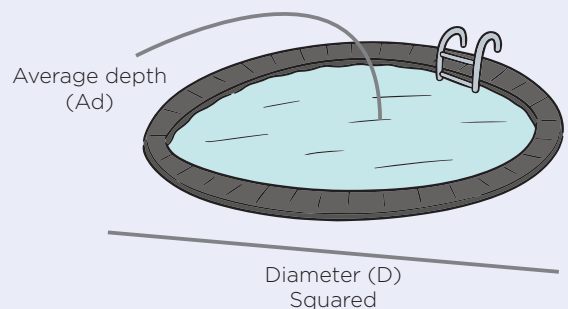

Type: Above-ground In-ground

Volume (see below for examples of how to calculate):

$$L \times W \times Ad \times 1000 = \text{Volume in Litres (Lt)}$$

e.g.
Length = 9m Width = 4m
Shallow end = 1.2m Deep end = 1.8m
 $9 \times 4 \times [(1.2 + 1.8) \div 2] \times 1000 = 54,000 \text{ Lt}$

$$D \times D \times Ad \times 785 = \text{Volume in Litres (Lt)}$$

e.g.
Diameter = 6m
Shallow end = 1.2m Deep end = 1.8m
 $6 \times 6 \times [(1.2 + 1.8) \div 2] \times 785 = 42,390 \text{ Lt}$

Interior Finish:

Concrete	Fibreglass	Marblesheen	Paint	Pebble Mix
Tiled	Vinyl	Other		

Filter Make & Model:

Cartridge	Diatomaceous earth (DE)	Sand
Zeolite	Other	

Pump Make & Model:

Size:

Heater Make & Model:

Electric	Natural Gas	Oil	Propane (LP)	Solar
